

For Immediate Release

Guardian Compliance Conducts Certification Course for Clients

Houston, TX, March 10, 2014 - Guardian Compliance, Inc. ("Guardian") contracted with Sage Environmental Consultants to conduct an Opgal EyeCGas™ Infrared Optical Gas Imaging certification course. Mr. David Ranum of Sage Environmental lead the course.

The participants were Level 1 IR Operator certified to support clients including:

- Tesoro
- LyondellBasell
- Dow
- Kinder Morgan
- ExxonMobil
- BHP Billiton
- Invista
- Valero
- P66

"Guardian will continue to be on the forefront providing environmental compliance through professional personnel, effective processes and technology", said David Spath, National Sales Director at Guardian Seal Tech.

The Opgal EyeCGas™ is the only Class 1 Div 2 Certified IR OGI tool available to industry.

Please come see us at the TCEQ Environmental Trade Fair on May 6 and 7 in Austin, TX or the ISA Conference on May 20 and 21 in New Orleans, LA or contact us directly at 800.519.2786.
